The Secretary to the Government
of Mysore, Muzral Department

Sir,

In submitting herewith for sanction and transmission to the Comptroller for audit and adjustment of the advance of Rs.1,300 made and also for payment of the balance, viz Rs.6, the Bill for Rs.1,306 being the amount of the estimate sanctioned in Government Proceedings No.3016-18/Mun 24-98 dated 18th February 1905 for the improvement of the Rameswara Temple at Chamarajpete Bangalore, I beg to submit that in addition to some of the works enumerated in the estimate, the Managing Committee had to undertake the construction of three separate apartments (rooms) instead of enclosing the 3 ankanams as originally estimated for, for Iswara, Parvati and Ganesha in order to raise a Gopuram on the apartment set apart for Iswara, as it was apprehended that the foundations and walls of the former building could not stand the weight of the said Gopuram and alsoto raise for obvious reasons, another Gopuram (tower) on the apartment built for Sri Rama. These additions cost more than the amount sanctioned by Government, under whose orders the charges connected with the consecration and Santarpane had also to be borne by the devotees. This, in addition to the sum of Rs.1,306 sanctioned by His Highness' Government for the improvement of the Temple, donations to the extent of Rs.3,356-10-6 were collected from the public up to the end of September 1905, making in all Rs.4,662-10-6, ~~were collected~~.

The expenditure incurred out of this amount is noted

noted below:-

		Rs. as. ps.
(1)	Improvements of the Temple... ...	2,246-1- 7
(2)	Consecration ceremonies...	740-11- 7.
(3)	Santarpana...	870 - 1- 6.
(4)	Miscellaneous expenses in connection with (2) & (3).	188- 1- 4.
(5)	Value of vessels, Lamps &c now in the Temple.	356-11- 0.
(6)	Abhisheka and other expenses for 48 days from the 25th June 1905 and other sundry expenses up to the end of October 1905.	99- 7- 0
	Total...	4,581-10- 0.

This leaves a balance of Rs.281-0-6 out of the total collections of which, the donation of Rs.200 kindly paid by His Excellency the Dewan is proposed to be utilized in connection with the construction of a Kalyana Mantapam which is a necessary adjunct to the temple, the balance of Rs.81-0-6 being required for a few ornaments for the deities, the want of which is greatly felt.

As the work connected with the towers (Gopuras) is still incomplete and as it was not possible for the Committee to complete the same with the funds at our disposal, I respectfully beg that you will be pleased to obtain the sanction of Government to a lump sum grant of at least Rs. 500/ for completing the work, under my own supervision, as I learn from professional men that the work, if given on contract, would cost a great deal more than this amount.

The Managing Committee are thankful to the citizens of Bangalore and of the Civil and Military Station, the Gurus of the Sringeri and Sivaganga Matts and the Officers of His Highness Government including His Excellency the Dewan Councillors and Yourself for the liberal help afforded to

Recd 11/11/05

Sir,

As much inconvenience is felt for want of a Kitchen for preparing "Naivedya" for the deities of Ramaswara and Sri Rama and a Store room for preserving the articles belonging to the Temple where even the gardener's tools, baskets &c are now stored to the inconvenience of the public whose attendance during the present month of Karthika ranges between 2 to 300 every day, I respectfully beg to submit an estimate for Rs.1,235/ for the construction of a Kitchen and a Store room and request the favor of your kindly obtaining the sanction of Government to the same in order that the work may be put in hand at once and completed early.

Note submitted 10/12/05

I also beg to submit herewith for sanction an estimate for Rs.999/ for constructing a Mahadwara for the Temple without which the Temple compound serves as a thoroughfare for the public and cattle who often commit nuisance in the Temple compound which it is highly necessary to prevent. No Vimana or Gopura is provided in the estimate for the Mahadwara as there are already two towers on the Temple for the completion of which I have separately requested the grant of Rs.500.

The estimates have been carefully prepared and the cost of the work reduced as far as possible.

I beg that early sanction may be obtained for these estimates.

I beg to remain,
Sir,

Sir,

Referring to Government Proceedings No.2900-2 dated 8th January 1906 sanctioning the marginally noted estimates for the completion of the Gopurams (Towers) and the construction of Store room with kitchen in the Sri Rameswara and Sri Ramadevaru Temple at Chamarajendrapete Bangalore city, I beg to submit that the lump sum estimate for Rs.500 submitted by me and sanctioned by Government which provided only for the completion of the Gopurams was not only low but did not also include the cost of completing the frontages of the northern and eastern portions of the Temple which were omitted by an oversight. I tried however to complete the work within the amount sanctioned but found it impossible to do so, though the strictest economy was observed and the work was executed under my own personal supervision and I had to maintain the daily account of wages paid to each Bricklayer and Cooly. The amount actually spent for the completion of the Gopurams (Towers) &c is therefore Rs.679-1-0 as shewn in the margin which I beg may be sanctioned as per revised estimate herewith submitted.
